

BELGIC.

The O. & O. Liner Arrives and Anchors Outside.

The O. & O. S. S. Belgic, Rinder commander, arrived and cast anchor off port at midnight Friday night, after a pleasant trip from San Francisco, which port she sailed from on the 18th inst. On Wednesday last at midday the Belgic passed the Peru and at 9 o'clock on the same night she passed the Coptic. It is the general belief that the Coptic will beat the Peru to San Francisco. On Thursday night the Belgic passed the Alameida. It was necessary for the Belgic to anchor outside on account of the occupation of the Pacific Mail wharf.

WHARF AND WAVE.

The U. S. S. Philadelphia is on the dry dock at Mare Island.

Six bluejackets were posted as sentries from the Monterey yesterday morning. They were all caught before evening and each of the officers who effected a capture received \$10.

Pilots Macaulay and Saunders have been kept very busy within the last four days. The movements of the transports and other foreign vessels have allowed them hardly time to sleep.

The Mikahala, which came in from Kaula ports Sunday morning reports 23,820 bags of sugar left at Kaula and divided as follows: K. S. M., 600 bags; V. K., 720; Makawala, 15,500; M. S. Co., 11,000; G. & K., 1,700.

The American barkentine S. G. Wilder, McNeil master, sailed for San Francisco Friday with a cargo of 17,804 bags of sugar, valued at \$203,609 pounds, valued at \$61,635 and shipped by F. A. Schaefer & Co.

The J. C. Glade, which sailed Saturday took 37,740 bags of sugar, weighing 4,183,423 pounds and valued at \$173,423. The ship was H. Hackfeld & Co. M. S. Grinbaum & Co., W. G. Irwin & Co., and F. A. Schaefer & Co.

The American schooner Emma, Claudine, Nelson master, arrived in port Sunday afternoon after a trip of thirty days from Eureka, with a cargo of 214,610 feet of lumber for Lewis & Cooke. Like all the rest of the vessels that have come in during the past two days the report of "light winds and calms" was made.

Marine insurance rates on American vessels have dropped in consequence of the Spanish war craft having been hemmed in in Santiago-de-Cuba harbor by the United States Navy. An American ship from Philadelphia for Honolulu has been insured at 3 per cent premium. A week ago it would not have been taken at twice that figure—Philadelphia Record.

BY AUTHORITY.

AUDITING DEPARTMENT REGULATIONS, NO. 1.

PERMANENT SETTLEMENTS AND SALARIES.

Under the provisions of the new Audit Law all persons and officers of the Government specifically named in the "Salaries and Pay Rolls Appropriations" bill, and all other permanent employees of the Government receiving regular monthly salaries, will be paid from the Audit Office after July 1st, 1898, by individual warrant on the Treasury.

To insure the completeness and promptness of the issuance of each month's salary warrants by the Auditor-General, complete pay-rolls or lists of employees, containing name, official title or position, and amount of monthly pay of each employee, will be required to be deposited with the Auditor-General by the heads of the several Departments, as soon as practicable before the last day of each month, such pay-rolls or lists, bearing the approval of the Head of the Department employing such persons.

Upon the receipt of such pay-rolls or lists, the Auditor-General will issue individual warrants in favor of the employees named therein, and said warrants will be forwarded to the payees by the best practicable method.

PAY-ROLLS.

For mechanics and laborers, and others temporarily employed, Pay-Rolls will be required, specially certified to by the officer directly incurring the expense, that the services charged for have been faithfully performed; upon the approval of such pay-roll by the Auditor-General, he will issue a warrant in favor of a disbursing officer duly authorized by the Head of the Department employing such labor; such disbursing officer will receipt temporarily for such warrant, draw the money from the Treasury, and immediately pay the same to the laborers or employees entitled thereto, taking their individual receipts therefor, and as soon as practicable thereafter, return the receipted pay-roll to the Auditor-General, receiving in return therefor his temporary receipt, and being thus discharged from further liability.

The law specially prohibits the Auditor-General from holding at one time more than one such temporary receipt from the same disbursing officer for pay-rolls under the same item of appropriation.

BILLS.

It will be the aim of the Auditing Department to make monthly settlement by warrant for all valid claims against the Government; in order that this may be done, bills for material, supplies, and incidentals will be required to reach the Auditing Department as soon as practicable after the close of each month, through the Department or Bureau incurring the expense; said bills to be made out on uniform bill heads which will be furnished by the several Departments, to contain items of one month only (except in the case of quarterly, semi-annual, or annual rents, subsidies and the like), and must specify the following particulars, viz:

Marginal Dates, showing date of actual supply of goods;

Quantities Supplied, i. e. number of lbs., tons, doz., etc.

Rates Charged, so that numerical calculations can be verified.

If material or labor is furnished in accordance with contract or tender, the same is to be stated in the bill. Said bills also to be specially certified to by the officer of the Government directly incurring the expense, that the material, supplies, and incidentals have been received in good order and condition.

It will be the duty of the several Heads of the Departments and Bureaus to present not later than the tenth of each month for expenditures on the Island of Oahu, and not later than the fifteenth of each month for expenditures on the other Islands, to the Auditor-General a summarized statement of all bills of the previous month fulfilling the above conditions, together with the bills, in budgets or summaries, under the titles of the several appropriations to which they are chargeable; each budget to contain bills of one month only, and to bear the approval of the Head of the Department incurring the expense. The Auditor-General, on receipt of such budgets will proceed to check the bills contained therein, and when approved will issue warrants in payment of the same; warrants will in every case be drawn in favor of the person to whom the Government is directly indebted, unless such person indicates by endorsement on his bill some other person in whose favor he desires the warrant to be drawn.

CONTRACTS AND TENDERS.

Copies of all Contracts, Agreements, and Accepted Tenders for Material or Labor, together with a copy of the

advertisement calling for such contract or tender, must be filed with the Auditor-General at the time of acceptance.

The above regulations governing bills for material, supplies, and incidentals, will apply to bills on account, or in full, of contracts and agreements.

TRANSCRIPT OF TREASURY CASH BOOK.

The Registrar of Public Accounts shall transmit to the Auditor-General daily a transcript of his cash transactions of the day previous as recorded in the Treasury Cash Book, in such form as shall be agreed upon between the Minister of Finance and the Auditor-General.

PUBLIC ACCOUNTANTS.

Sworn returns of collections of revenue or other moneys, will be required to be made monthly to the Auditor-General as heretofore; by Public Accountants in Honolulu, not later than the tenth, and by Public Accountants out of Honolulu, not later than the fourteenth day after the expiration of each month.

EFFECT OF REGULATIONS.

These regulations go into effect and have the force of law at the same time with the new Audit Law, i. e. on and after July 1, 1898.
